

**Job Title:** Plumber

**Company:** Let's Go Group

**About Let's Go Group:**

Let's Go Group is a dynamic and innovative bathroom renovation company driven by the principle of treating everyone's home like our own. We are a unique organisation that combines our passion for delivering high-quality renovations with a strong commitment to serving the community through our Let's Go Foundation. We take pride in providing turnkey premium services, including unique offerings like one-week bathroom transformations.

**Job Overview:**

We are currently seeking an experienced and dedicated Plumber to join our growing team. The ideal candidate will possess high attention to detail and a strong focus on customer satisfaction, ensuring our projects are completed to the highest standards. The Plumber will be responsible for installing, maintaining, and repairing plumbing systems for our bathroom renovation projects, while contributing to our company's commitment to making a positive impact on the community.

**Responsibilities:**

- Install, maintain, and repair plumbing systems, including fixtures, fittings, and pipes in residential and commercial properties
- Read and interpret blueprints, drawings, and specifications to determine the layout of plumbing systems and materials required
- Inspect plumbing systems to identify and address issues promptly and effectively
- Ensure high attention to detail throughout the project lifecycle, delivering high-quality work and adhering to industry standards and best practices
- Collaborate with the project manager, design team, and other tradespeople to ensure project success
- Provide exceptional customer service, maintaining positive relationships with clients
- Comply with company policies, procedures, and safety regulations
- Participate in and support Let's Go Group's community initiatives and CSR efforts

**Requirements:**

- Proven experience as a Plumber in the construction, renovation, or related industry
- Strong attention to detail, with a focus on delivering high-quality work
- Excellent customer service skills with a track record of achieving high levels of customer satisfaction
- Solid knowledge of plumbing systems, materials, tools, and techniques
- Ability to read and interpret construction plans, drawings, and specifications
- Strong problem-solving skills, able to identify and resolve issues promptly and effectively
- Excellent communication and interpersonal skills, able to work effectively with diverse teams and clients
- A passion for giving back to the community and contributing to the company's CSR initiatives
- Plumbing certification or relevant trade qualification is required

**To Apply:**

If you believe you are the ideal candidate for this exciting opportunity, please submit your resume and a cover letter detailing your experience and passion for the role to
